***Must call or go on line to reserve your boot size for Kangoo class & bike for Spin**

3.2.1 Shred: A circuit class – 3 minutes of strength training, 2 minutes of cardiovascular work and 1 minute of abdominal work.

Ab Shredder: 30 minutes of conditioning exercises for the torso and abdominal area. It will transform your abs!

Active Aging: Enjoy an exciting hour of cutting edge research based programming and practical approaches for training the brains and bodies of our 50+ members. We will focus on mental health, cardiovascular conditioning, & strength

Body Pump: Resistance training to music. A revolutionized exercise concept that works all muscle groups.

Body Sculpt: A full body muscle conditioning class focused on form and technique using weights, body bars & segments of cardio intervals

Bootcamp: A full body workout with intervals of cardio, strength and core training

Body Step: An easy to follow class using an adjustable step and moving to sing-along music. Cardio blocks push fat-burning systems into high gear followed by muscle-conditioning tracks that shape and tone your body.

Cardio Interval: A full body workout with intervals of cardio and weights

Chisel'd: A total body strength conditioning class using a variety of equipment and body weight with focus on form and technique. Class ends with a strong core workout.

Chisel'd Upper Body: A 30 minute class using weights and bars to target chest, back, shoulders, biceps and triceps.

Chisel'd Lower Body: A 30 minute class using weights, bands and steps to target quads, hamstrings, glutes and calves.

Core & More: A challenging head to toe workout using a variety of equipment, focused on engaging core muscles to maximize total body conditioning.

Kangoo Jump A fun cardiovascular workout that combines dance moves, running and jumping.

You wear Kangoos- Unusual footwear that look like ski boots that will enable you to rebound and enjoy a LOW IMPACT workout. 80% less impact than your sneakers and you burn 25% more calories.

It is a full body workout. This class is excellent for those with bad backs, knees and hips. If you have your own boots no need to register.

Pilates: Pilates is one of the safest and most effective exercise programs available today. It unites body and mind and creates a more streamlined shape. You will build core abdominals, restore natural posture, develop strength, flexibility and endurance.

Piloxing: Mixes Pilates & Boxing moves for a fat torching, muscle sculpting, core-centric, interval workout.

Pound: An exciting 45 minute cardio, strength training class that uses weighted drumsticks. You can burn up to 500-900 calories-

Step: A challenging aerobic workout choreographed to music using the step, ending with abs.

***Spinning*:** A highly effective, non-impact, cardiovascular workout on a stationary bike. All levels welcome.

SPIN Flex is a combo class format that uses dyna bands and dumbbells to train the major muscles groups, paying special attention to the upper body.

***Spin & Abs*:** A highly effective, non-impact, cardiovascular workout on a stationary bike. With 15 minutes of abs

***Tabata Spin*:** This ride can be different every time. Rolling hills, intervals, endurance, stacked ladders, race day, etc. .

YAH-LIA/Sculpt: Low impact choreography for 30 minutes, followed by muscle conditioning and abs for the Young At Heart.

Yoga: A wholesome approach to achieving perfect physical and mental health, happiness and tranquility.

YAH-Yoga with Props: Gentle yoga with light weights, bands and balls. For the young at heart (YAH)

Kripalu Yoga: A gentle yet challenging approach to asana practice that emphasizes breath work, meditation, and encourages inward focus and spiritual attunement. This class can initiate a gradual process of physical healing, psychological growth and spiritual awakening

Zumba: A fusion of Latin and international music-dance themes creating a dynamic, exciting, effective fitness system! Zumba is a mixture of body sculpting movements with easy to follow dance steps.

Zumba Gold: Takes the Zumba formula and modifies the moves and pacing to suit the needs of the active older participant, as well as those just starting their journey to a fit and healthy lifestyle.

All classes are instructed by certified, CPR trained instructors and are subject to change. ** requires reservations**
