

Weymouth Club is excited to announce the Reopening of our Aquatics Center

Beginning Monday, June 15, we'll be reopening our Aquatics Center under new guidelines & limitations required by state and local officials. To begin the process of returning to our healthy routines, we encourage members and guests to be prepared for the "new normal", and as new regulations are announced, we will update members via email, the Weymouth Club website, social media, and if necessary, appropriate signage.

Please read through this document, as its intention is to create a smooth transition back to swimming again. In advance, we sincerely thank you for being kind to one another, patient with our learning curve and supporting Weymouth Club throughout this historic time. And now...on to REOPENING!

 - Note: this policy is for the entire Weymouth Club complex until further notice.

● Seating Arrangements

- We have created socially distant seating arrangements in pods which include a lounge chair for two adults and deck chairs for children. No worries, if your family is larger, we have extra chairs available for your visit.
 - Please do not move the seating pods. They are spaced to maximize social distancing for everyone's health and wellbeing.
 - It may be hard to resist combining pods with friends, but be strong, we all **MUST** be respectful of the six-foot social distancing requirement. Please don't put us in an uncomfortable position of asking people to leave...especially on a beautiful day.
 - For those sun lovers, there is a section dedicated to **SUNBATHERS ONLY**. Remember – *No Pool/Swimming Access*.
