

Summer Guest Pass Policy for the months of June, July, and August:

Members: Use any passes already on your account. Guest passes for purchase are \$23 for an adult and \$15 for a child.

Your guests must be accompanied by you. What does this mean?

This means you must be present with your guests the whole time. Guests will not be granted access to the club until you have arrived to check them in. This will help all of our members and guests to have positive experiences at our outdoor pools and with parking on busy weekends. Thank you all for your cooperation and support!

Nonmembers: We are not accepting walk ins for our summer months. You may come as a guest of a Weymouth Club member, and that member must be present with you on site. If the member is not here, you will be asked to leave. If you are interested in a membership, please ask us to put you in touch with a membership representative.
