January 2nd, 2019

Costume Fee: \$75.00 per class
(tights not included)

Recital fee: \$25.00 per dancer

Recital 2019-SAVE THE DATE

The Dance with Energy Recital will be held on Saturday, June 8th, 2019 at Bridgewater State University in Bridgewater, MA. Dress Rehearsal will be held on Friday, June 7th. Times TBD. Schedules will be released in February.

Please be sure to read all announcements & emails in the upcoming months for details.

Weather Hotline: 781-682-5800 Ext: 3

For inclement weather please call the Energy Center hotline for dance class cancellations. You can also check the DWE Facebook page. We do not always follow the school closings. If your dancer's class is cancelled, they are welcome to attend another class during the week as a make-up.

Make-Up Classes

If your dancer's class is cancelled due to inclement weather, he or she is welcome to make up their class by attending another (same-level) class on the schedule that week or the following week. Please contact Miss Elizabeth regarding make-ups. An email will also go out with make-up options.

Class Attendance

All classes will begin learning their recital routines this month. It is very important that all dancers attend their class regularly from now through June. Their absence not only affects them & causes them to have to "catch up" the next class, but it also affects the entire class as they rely on each other for partner work & correct spacing.
